

ATHLETIC FIELDS

Contact: 502/456-8171 or athletics@louisvilleky.gov

Athletic fields are available to the public throughout the year. Most fields are available to the general public for games and practices, although non-profit groups operate some fields under recreation committee agreements. To determine the location of these parks, visit www.metro-parks.org and click on the “Park Finder.”

LEAGUE/TOURNAMENT PLAY (per field)
League fees • 10% of gross income
Lights • \$10 per hour (where available)

Under this arrangement, Metro Parks maintains fields for a non-profit group for a full league season, and the leagues manage their own scheduling and game officials. Metro Parks can also provide these services, as negotiated. A season is defined as the period from January 1 to June 1, and from June 2 to December 31. Each permit is applicable to one sport at each level (i.e. peewee, freshman, j.v., varsity, junior, senior). There is a five (5) month maximum practice permit period for all sports.

RECREATION COMMITTEE AGREEMENTS
Administrative fee (per season) • \$100
Concession stand use (per season) • \$250
Lights (per season) • \$150
Key deposit (per set, per site) • \$35

Under this arrangement, non-profit groups provide basic field maintenance in exchange for primary use of those fields. Leagues manage their own scheduling and game officials.
